

Your Love

Christian Bautista

You're the one that never lets me sleep
To my mind, down to my soul you touch my lips
You're the one that I can't wait to see
With you here by my side i'm in ecstasy

I am all alone without you
My days are dark without a glimpse of you
But you came into my life
I feel complete
The flowers bloom, my morning shines
And I can see

Your love is like the sun
That lights up my whole world
I feel the warmth inside
Your love is like the river
That flows down through my veins
I feel the chill inside

Every time I hear our music play
Reminds me of the things that we've been through
In my mind I can't believe it's true
But in my heart the reality is you

Coz' I am all alone without you
My days are dark without a glimpse of you
But you came into my life
I feel complete
The flowers bloom, my morning shines
And I can see

Your love is like the sun
That lights up my whole world
I feel the warmth inside
Your love is like the river
That flows down through my veins
I feel the chill inside

Your love is like the sun
That lights up my whole world
I feel the warmth inside
Your love is like the river
That flows down through my veins
I feel the chill inside

Your love is like the sun
That lights up my whole world
I feel the warmth inside
Your love is like the river
That flows down through my veins
I feel the chill inside
