

Dream For Mother

Christian Death

Dreaming about her mother dying
My mind is set at ease
Number the bodies in the mortal world
Spreading disease
Nodding acquaintances to be sure
Making 'Him' a household world

Introduce realism: The Eye of the Beholder

Final resting place
Of many would be heroes
In New York Park after dark
The time of clinical death is fixed

Don't be frightened
Necrophiliac relationship
During the freezing process
Note the murders
Grisly attitude
Crossed above my head
To protect it from the rocks

Palliations from a weaker sex
Palliations from a weaker sex

I'm avoiding what i can see
I dreaming about her dying
