

## Dream For Mother

Christian Death

Dreaming about her mother dying  
My mind is set at ease  
Number the bodies in the mortal world  
Spreading disease  
Nodding acquaintances to be sure  
Making 'Him' a household world

Introduce realism: The Eye of the Beholder

Final resting place  
Of many would be heroes  
In New York Park after dark  
The time of clinical death is fixed

Don't be frightened  
Necrophiliac relationship  
During the freezing process  
Note the murders  
Grisly attitude  
Crossed above my head  
To protect it from the rocks

Palliations from a weaker sex  
Palliations from a weaker sex

I'm avoiding what i can see  
I dreaming about her dying
