

## Fleeing Somnambulist

Christian Death

ectoplasms roam the welcome edges of carnivorous sleep  
there was a man in a huge, white goats head  
sweeing through the German landscapes  
they can be made transparent  
exquisite hair flows down and out from the mouth,  
in a circle at the feet  
the boy's body was lodged between two large flower pots  
as if tucked safely back into his mother's womb  
they can be made transparent
