Thinking Of You

Christian Kane

Well I know they say all goods things
Must come to some kinda of ending
We were so damn good, I guess we never stood a chance
Go on find what you've been missin'
When that highway's tired of listenin'
You'll see I'm not that easy to forget...
When a new moon shines through your window,
Or you hear a sad song on the radio,
And you don't know why, but you just start to cry...
Or your driving round on a sunny day
And outta nowhere comes a pourin' rain,
And a memory hits you right out of the blue...
That's just me
Thinking of you
I'm not gonna try to stop you,
Doesn't mean that I don't want too;
If I know you, you've already made up your mind.
So go on and go if you're really leavin'
Put a million miles between us,
But you still feel me like I'm right there at your side
And when a new moon shines through your window,
Or you hear a sad song on the radio,
And you don't know why, but you just start to cry...
Or you're driving round on a sunny day
And outta nowhere comes a pourin' rain,
And a memory hits you right out of the blue...
That's just me
Thinking of you
And I'm thinkin' about the road your on,
I'm thinkin' about you comin' home,
I'm wondering if you've got your radio on...
And when you find your way to another town,
And someone tries to lay you down
And a feelin' hits you right out of the blue...
It's me
Thinking of you
That's just me
Thinking of you.
