

Never Mind

Christian Linke

I never ment to be youre know it all
oh, i know i am wrong
wanted to, we hadn't been the one
whos there when it's gone
pushing the light with pointing out
i'm better of all alone
even if i call u every night
don't dance on the phone

but never mind
im going anyways
but u have to know
i don't know how to tell u this frase
u will be alone
taking off and i won't come back
i'm leavign this place
so expect me not to come back
i'm flying my way

is there any chance to save the day?
so it's up to you
had to learn my lesson where to stay
help you where to
never thought i would have at the time
to face all this
never could of passed me to come back
all the time

But never mind
i'm going anyways
but u have to know
i don't know how to tell u this frase
u will be alone
takeing off and i won't come back
i'm leaving this place
so expect me not to come back
i'm flyïng my way
