Maybe Not

Christian Walz

Aaoh ha-a-aow... Haow... Aaoh aaoh

Aaoh ha-a-aow... Haow

I wanna reach the one I wanna quit and run I wanna face the ground Still wanna see the sun

Pain is a minute old I wanna be untold I'm gonna let it die Still wanna see it grow

I'm gonna go to there all dressed Wake up reborn and go to flesh

I!, I'm gonna scream out loud
I wanna make no sound
Wanna know what I love
I want it, maybe not
I'm gonna face my fears
I wanna hold my tears
Wanna know what I love
I want it, maybe not

That is to slow to fast you see That doesn't mean a thing to me I'm gonna prove I'm tough I hope no one says enough I wanna be alone I wanna be with ya'll I wanna be like me Wanna be T R P

I'm gonna go to there all dressed Wake up reborn and go to flesh

I!, I'm gonna scream out loud
I wanna make no sound
Wanna know what I love
I want it, maybe not
I'm gonna face my fears
I wanna hold my tears
Wanna know what I love
I want it, maybe not

Now I'm gonna tell All this makes my day a hell I don't even know, But sometimes I change my way See my own delay (delay dela, delay) Now I don't even know, But sometimes I change my way Just see my own delay, dela, delay, de dela-dela-de

I!, I'm gonna scream out loud
I wanna make no sound
Wanna know what I love
I want it, maybe not
I'm gonna face my fears
I wanna hold my tears
Wanna know what I love
I want it, maybe not

Aaoh ha-a-aow...

I want it, maybe not

Aaoh ha-a-aow...

Wanna know what I love I want it, maybe not
