

Missing You

Christian Walz

Missin you like
Missin you like crazy
Wish you were here right by my side
Missin you like
Missin you like crazy
Cant let you go
My heart wont lie
Now please don't cry
Im not gonna let it die
You are the one
You are the one
I never will say goodbye
You are the one
You are the one
Never will say goodbye
Kissin you like
Kissin you like crazy
You got me right here with a smile
Kissin you like
Kissin you like crazy
Remember all of our desires
Oh please don't cry,
Im not gonna let it die
You are the one
You are the one
I Never will say goodbye
You are the one
You are the one
I never will say goodbye (3x)
Now you're away and we have spent so little time
You gotta show me just enough to make you mine
You think you make it up with roses and some wine
Don't worry babe, I know you
You are the one
You are the one
I never will say goodbye (4x)
