

## Missing You

Christian Walz

Missin you like  
Missin you like crazy  
Wish you were here right by my side  
Missin you like  
Missin you like crazy  
Cant let you go  
My heart wont lie  
Now please don't cry  
Im not gonna let it die  
You are the one  
You are the one  
I never will say goodbye  
You are the one  
You are the one  
Never will say goodbye  
Kissin you like  
Kissin you like crazy  
You got me right here with a smile  
Kissin you like  
Kissin you like crazy  
Remember all of our desires  
Oh please don't cry,  
Im not gonna let it die  
You are the one  
You are the one  
I Never will say goodbye  
You are the one  
You are the one  
I never will say goodbye (3x)  
Now you're away and we have spent so little time  
You gotta show me just enough to make you mine  
You think you make it up with roses and some wine  
Don't worry babe, I know you  
You are the one  
You are the one  
I never will say goodbye (4x)
