

# Down The Mississippi Line

Christie

1st verse

Gonna take a trip down the Mississippi line  
Way down yonder, Georgia's on my mind  
Gonna take a ride, gonna spend my money too  
Baby, that's what I'm gonna do  
There's a lot of places I ain't never have been  
There's a lot of faces I ain't never have seen

2nd verse

Gonna take a trip down the Mississippi line  
Down to Birmingham, where the corn is high  
Gonna take a ride up to Memphis, Tennessee  
Back again to New Orleans

Chorus

So come on with me  
Come on and see  
We're doin' fine, my baby and I  
Got a long way to go  
We're doing fine, my baby and I  
Down the Mississippi line

There's a lot of places I ain't never have been  
There's a lot of faces I ain't never have seen

3rd verse

Gonna take a ride down the Mason Dixon line  
Down to Macon, Georgia, me oh my  
Gonna take a ride, yes I'm gonna take a ride  
Down the Mississippi line

Chorus
