Can't Hold Us Down

Christina Aguilera

So what am I not supposed to have an opinion Should I be quiet just because I'm a woman Call me a bitch cos I speak what's on my mind Guess it's easier for you to swallow if I sat and smiled

When a female fires back Suddenly the target don't know how to act So he does what any little boy will do Making up a few false rumors or two

That for sure is not a man to me Slanderin' names for popularity It's sad you only get your fame through controversy But now it's time for me to come and give you more to say

This is for my girls all around the world
Who've come across a man who don't respect your worth
Thinking all women should be seen, not heard
So what do we do girls?
Shout louder!
Letting them know we're gonna stand our ground
Lift your hands high and wave them proud
Take a deep breath and say it loud
Never can, never will, can't hold us down

Nobody can hold us down Nobody can hold us down Nobody can hold us down Never can, never will

So what am I not supposed to say what I'm saying Are you offended by the message I'm bringing Call me whatever cos your words don't mean a thing Guess you ain't even a man enough to handle what I sing

If you look back in history
It's a common double standard of society
The guy gets all the glory the more he can score
While the girl can do the same and yet you call her a whore

I don't understand why it's okay
The guy can get away with it & the girl gets named
All my ladies come together and make a change
Start a new beginning for us everybody sing

This is for my girls all around the world Who've come across a man who don't respect your worth Thinking all women should be seen, not heard What do we do girls?

Shout louder!

Letting them know we're gonna stand our ground Lift your hands high and wave 'em proud Take a deep breath and say it loud

Never can, never will, can't hold us down

Lil' Kim:
Here's something I just can't understand

If the guy have three girls then he's the man He can either give us some head, sex her off If the girl does the same, then she's a whore But the table's about to turn I'll bet my fame on it Cats take my ideas and put their name on it It's aiight though, you can't hold me down I got to keep on movin' To all my girls with a man who be tryin to mack Do it right back to him and let that be that You need to let him know that his game is whack And Lil' Kim and Christina Aguilera got your back

But you're just a little boy
Think you're so cute, so coy
You must talk so big
To make up for small lil' things
So you're just a little boy
All you'll do is annoy
You must talk so big
To make up for small lil' things

This is for my girls...
This is for my girls all around the world

Thinking all women should be seen, not heard
So what do we do girls?
