

Glam

Christina Aguilera

Let's get glam
Glam (glam, glam...)
Let's get glam
Glam (glam, glam...)

Walk, turn, pose, stop
Give 'em what you got
Work those hips, side to side
Get that angle right
(Right)

Paint your face like a movie queen
A naughty dream or a fantasy
Anything goes, gotta be the scene
Create a look, out a fashion book

Let's get glam, don't let the clothes wear you
Let's get glam, it's all in how you move
Let's get glam, don't let the clothes wear you
Let's get glam, it's all an attitude

Now snap, now snap
Here we go

Blush on, lashes long
Mascara strong, strong, strong
Lips, eyes, cheeks, face
Give it style grace

Better be ready for your photo op
Step in the light for your perfect close up
Be superficial, it's your one shot
Unleash the diva deep inside

Let's get glam, don't let the clothes wear you
Let's get glam, it's all in how you move
Let's get glam, don't let the clothes wear you
Let's get glam, it's all an attitude

Now snap, now snap
Here we go

Runway on fire, fashion gods inspire
Lose control, inhibitions run wild
Get on the floor in your best couture
Come on and take me higher

Live it, love it, breathe it, work it, glam
Live it, love it, breathe it, work it, glam
Live it, love it, breathe it, work it, glam
Live it, love it, breathe it, work it, glam

Now snap, now clap
Now dance, now stop
Let's get glam

Let's get glam, don't let the clothes wear you

Let's get glam, it's all in how you move
Let's get glam, don't let the clothes wear you
Let's get glam, it's all an attitude

Let's get glam, don't let the clothes wear you
Let's get glam, it's all in how you move
Let's get glam, don't let the clothes wear you
Let's get glam, it's all an attitude

Glam!
Let's get glam, it's all in how you move
Let's get... glam!
Let's get glam, it's all an attitude
