

# Maria

Christina Aguilera

Maria hey, hey, Maria  
Maria, don't you hear me calling, Maria?  
Maria, girl you know you were the only one

How was I supposed to know?  
That it would cost my soul  
Nothin is free', out you  
I wanna breathe out you  
And how am I supposed to face this lonely life I've created?  
Is that the price that I'm payin'  
I wanna feel it

All my life, wouldn't give up  
Was too young too know the difference  
How did I get so low?  
When it all turned so cold  
Inside of my own mind, I believe my own lies  
I faint in the mirror

Where, where, where is Maria?  
Why, why, why don't I see her?  
I, I just wanna see her  
Why, why, why don't I see her?  
I, I just need to see ya, Maria

Now do you hear it in my voice?  
That I'm tryna make a choice  
I don't know which way to go at this crossroads  
You done taped my mouth shut  
Make me feel worthless, used up

So tired of painting all this makeup  
'Cause it won't hide my deep cuts  
Eyes open but can't see  
Mouth open but can't see  
I faint in the mirror

Where, where, where is Maria?  
Why, why, why don't I see her?  
I, I just wanna see her  
Where, where, where is Maria?  
Oh, I just wanna see ya, Maria

Oh, my lord  
Can you take away this heavy load?  
I can't carry it anymore  
Oh  
I'm callin' an angel, where is my saviour?  
Oh, my lord  
Can you take away this heavy load? (can you take away this heavy load?)  
I can't carry it anymore (I can't)  
I'm callin' an angel, where is my saviour?

Hear my plea for sympathy  
I just want you here with me  
Hear my plea for sympathy  
I just want you here with me

Hear my plea for sympathy  
I just want you here with me  
Hear my plea for sympathy  
You keep running away

Can you hear me callin'?  
My whole world is fallin'  
I can't see ya, oh, I need ya  
Can you hear me callin'?  
My whole world is fallin'  
I can't see ya, oh, I need ya  
Don't keep on runnin' away (you keep on runnin' away)  
Don't run away, don't run away, no  
Don't run away, don't run away, no  
Don't you keep on runnin' from me  
Don't you keep on runnin' from me  
Where, where, where is Maria?

Don't run away, don't run away, no  
Don't run away, don't run away, no  
Where is Maria?  
You know I need ya  
Where is Maria?
