

Prima Donna

Christina Aguilera

Tonight it's on
Play my song
It's a celebration
I worked a long week
And now there is no hesitation
I need a drink or two
Make that a few
I ain't waiting
Yes, yes I'm gone
And you know I got no time for wasting

Gonna forget my troubles
Cause it's a special night
Not going to stress for nothing
I'm feeling quite alright
If it's your birthday baby
I'm going to grant your wish
This is a private party
VIP in this bitch
Let's go!

I'm a prima donna
I can rule the world
Don't care who's around me
I can fool the world
So hand's up
Catch this feeling
There's no stopping this
Right now in this moment
I can rule the world

So ladies,
Pop, pop, pop
Throw it up
Make it
Pop, pop, pop
Turn it up, speakers
Pop, pop, pop
Til I'm drunk, bottles
Pop, pop, pop
(Take it back to the verse right now)

A little fun
Never killed, never hurt nobody
So grab a glass, and raise it up
Baby work your body
Ain't nothing wrong, just go on
If you're feeling naughty
Yes, yes I'm grown
And I don't need no judgement on me

Gonna forget my troubles
Cause it's a special night
Not going to stress for nothing
I'm feeling quite alright
If it's your birthday baby
I'm going to grant your wish

This is a private party
VIP in this bitch
Let's go!

I'm a prima donna
I can rule the world
Don't care who's around me
I can fool the world
So hand's up
Catch this feeling
There's no stopping this
Right now in this moment
I can rule the world

So ladies,
Pop, pop, pop
Throw it up
Make it
Pop, pop, pop
Turn it up, speakers
Pop, pop, pop
Til I'm drunk, bottles
Pop, pop, pop

Break it down!
Whoaaaaaaa...
I'm a prima donna, I'm a -
A prima donna, I'm
I'm a prima donna, I'm a -
A prima donna, I'm
I'm a prima donna, I'm a -
A prima donna, I'm
I'm a prima donna, I'm a -
A prima donna, I'm
I'm a prima donna, I'm a -
A prima donna, I'm
I'm a prima donna
Okay... okay

I'm a prima donna
I can rule the world
Don't care who's around me
I can fool the world
So hand's up
Catch this feeling
There's no stopping this
Right now in this moment
I can rule the world

So ladies,
Pop, pop, pop
Throw it up
Make it
Pop, pop, pop
Turn it up, speakers
Pop, pop, pop
Til I'm drunk, bottles
Pop, pop, pop

Work your body!
Work your body!
