Save Me from Myself

Christina Aguilera

It's not so easy loving me It gets so complicated All the things you've gotta be Everything's changin But you're the truth I'm amazed by all your patience Everything I put you through

When I'm about to fall Somehow you're always waitin with your open arms to catch me You're gonna save me from myself from myself, yes You're gonna save me from myself

My love is tainted by your touch Cuz some guys have shown me aces But you've got that royal flush I know it's crazy everyday Well tomorrow may be shaky But you never turn away

Don't ask me why I'm cryin Cuz when I start to crumble You know how to keep me smilin You always save me from myself from myself, myself You're gonna save me from myself

I know it's hard, it's hard But you've broken all my walls You've been my strength, so strong

And don't ask me why I love you It's obvious your tenderness Is what I need to make me a better woman to myself to myself, myself You're gonna save me from myself
