# Sick of Sittin'

**Christina Aguilera**

Okay you guys
Is everybody ready?
Oh, oh, ha

I ain't built for no fake
Don't play me, I raise kids
Just be thankful I gave you this
'Cause I don't need it
Don't try to tell me I'm crazy
It's good pay, but it's slavery
I can't live with these chains on me
I have to get free

I'm sick of sittin', I'm sick of sittin'
I'm sick of sittin', been workin' too hard to not be livin'
I'm sick of sittin', I don't need it no more
I'm sick of sittin', I'm sick of sittin'
I'm sick of sittin', been workin' too hard to not be livin'
I'm sick of sittin', I don't need you no more

I don't need it anymore, yeah
Oh no, no
I don't need it anymore
Just don't need it, just don't need it
Yeah

I make it a policy not to tell anybody to sit down
I just still encourage everybody else to stand up

I survived the dark ages
But the former trailblazer took out the knife and cut ties
I'm just fine
Honey, don't do me no favours
The root of evil couldn't change me
You pray for them, but don't pray for me
I can't move with these chains on me
I have to get free

I'm sick of sittin', I'm sick of sittin'
I'm sick of sittin', I been workin' too hard to not be livin'
I'm sick of sittin', I don't need it no more
I'm sick of sittin', I'm sick of sittin'
I'm sick of sittin', been workin' too hard to not be livin'
I'm sick of sittin', I don't need you no more

Gotta let it go, let it go, let it go
Had to be free, oh
I don't need it anymore
I don't, no, I don't, no

They wanna take my shine
They wanna take my time
But I'mma take what's mine
Don't play with me
They try to use my name
Oh, what they wouldn't do for the fame
But I ain't you and we ain't the same

```
This ain't a game to me

I'm sick of sittin', I'm sick of sittin'
I'm sick of sittin', I been workin' too hard to not be livin'
I'm sick of sittin', I'm so emancipated
I'm sick of sittin', I'm sick of sittin'
I'm sick of sittin', been workin' too hard to not be livin'
I'm sick of sittin', I don't need you no more

I don't need it anymore
I don't need it anymore
Now

I'm sick of sittin', I'm sick of sittin'
I'm sick of sittin', I been workin' too hard to not be livin'
I'm sick of sittin', I'm so emancipated
```
