

Wanna Watcha

Christina Aguilera

I wanna watcha as you fall
down down
I wanna watcha

I wanna watcha as you smile
calm calm
I wanna watcha

Somewhere there
Is the cross I bear
Come on to make it fair
Wanna watcha as you take
It by yourself

I wanna watcha as you fall
down down
I wanna watcha

I wanna watcha as you smile
calm calm
I wanna watcha

Do ya remeber
My little friend
How we were in there
It was so long ago
Travel in mind, go!

Yeaaaaaaaaaaaaah

I wanna watcha as you fall
down down
I wanna watcha

I wanna watcha as you smile
calm calm
I wanna watcha

I wanna watcha
Ain't it cool
I wanna watcha
Ain't it good
Wanna watcha
Wanna watcha

Wanna watcha yoy you you you
Baby boo Baby boo Baby boo
