

# Dip It Low

Christina Milian

Says he wants you  
He says he needs you  
If it's real talk then why not make him wait for you  
If he really wants you  
If he really needs you  
Take your time and feel him out  
When he's a good boy  
(A really really good boy)  
Why not let him lay with you  
(When you give it to him good)

Dip it low  
Pick it up slow  
Roll it all around poke it out like your back broke  
Pop, pop, pop that thang  
I'ma show you how to make your man say "ooh"  
Dip it low  
Pick it up slow  
Roll it all around poke it out like your back broke  
Pop, pop, pop that thang  
I'ma show you how to make your man say "ooh"

You gettin' bold  
He's growin' cold  
It's just the symptoms of young love  
Growin' old  
You think it's time  
(And you thinkin', but give it time)  
It's late at night  
He's coming home  
Meet him at the door with nothin' on  
Take him by the hand  
Let him know what's on  
If you understand me (ooh)

All the ladies wind it up if you know just how to move  
All my fellas jump behind her show her what you wanna do  
All the ladies wind it up if you know just how to move  
All my fellas jump behind her show her what you wanna do (ooh, ooh)

Dip it low  
Pick it up slow  
Roll it all around poke it out like your back broke  
Pop, pop, pop that thang  
I'ma show you how to make your man say "ooh"  
Dip it low  
Pick it up slow  
Roll it all around poke it out like your back broke  
Pop, pop, pop that thang  
I'ma show you how to make your man say "ooh"

(Fabolous)  
Yeah, uh, yeah, uh  
Baby girl I want you to pop, pop, pop that thang  
I might stop to shop and cop you things  
You know I drop the top and hop that thang  
Sometimes stop my bop then pop my thing

You sure know how to make a man say "ooh"  
And how in the world can a man say "no"  
When you wind it up on a wall; wind it up like a doll  
And you know my Bacardi lime it up 'til you fall  
Haul it up till you fall and have those other chicks throwin' vomit up  
When they can't find it up in the mall  
Like most men I love to catch up with a model  
But I ain't used to movin' slow like ketchup in a bottle  
The best things come to those who wait for  
But I'm a be straight for before it's too late for  
I want you to dip it low  
Pick it up slow  
Roll it all around  
Poke it out and make me say "oh"

Dip it low  
Pick it up slow  
Roll it all around poke it out like your back broke  
Pop, pop, pop that thang  
I'ma show you how to make your man say "ooh"  
Dip it low  
Pick it up slow  
Roll it all around poke it out like your back broke  
Pop, pop, pop that thang  
I'ma show you how to make your man say "ooh"

Dip it low  
Pick it up slow  
Roll it all around poke it out like your back broke  
Pop, pop, pop that thang  
I'ma show you how to make your man say "ooh"  
Dip it low  
Pick it up slow  
Roll it all around poke it out like your back broke  
Pop, pop, pop that thang  
I'ma show you how to make your man say "ooh"
