

# Foolin'

Christina Milian

You supposed to be that nigga,  
You got a dime on ya side,  
(So why you foollin' with me ?),  
Listen I ain't bein' reckless  
I'm just tryin' to get this record straight,  
(Look what ya doin' to me),  
You got me contemplatin' thinkin' maybe,  
I should come check you out in that suite,  
Pop open some yellow bottles undress me like a model,  
Then maybe we could wrinkle the sheets,

But then I know she'll always be the one you,  
Take out show around,  
But you continue to hold on to me so,  
(Why ?),  
Would you think that I could settle for less it's just  
One night no I,  
Don't wanna wake up the next mornin' askin',  
(Why ?)

So what I need to know is,  
If you're foollin',  
Only foollin',  
All I asked is (Why ?),  
If you're foollin',  
Only foollin',  
All I asked is (Why ?)

Now the media's gossipin' pinnin' me in magazines,  
Sayin' I was the one,  
(No),  
Comparin' us to that Brad, Jen and Angelina affair,  
Look baby I ain't the one,  
What I'm sayin' is,  
I ain't tryin' to go for that,  
(No),  
Look I can't go for that,  
(No),  
You need find out where your home is at,  
And turn the key and range rove it back,

You didn't want me then so tell me what made,  
You changed ya mind  
Cuz ain't a thing don't changed about me,  
Tell me (Why ?),  
Cuz when you say you love me it's when I'm with  
Someone else I can't help,  
You to continue foollin' me,  
So tell me (Why ?),

So what I'm tryna' say is  
If you're foollin',  
Only foollin',  
All I asked is (Why ?),  
If you're foollin',  
Only foollin',  
All I asked is (Why ?)

I'm like  
Come on, come on, come on, come on, come on,  
Come on, come on, come on, come on, come on,  
I wanna know boy,  
(Why ?),  
I'm like  
Come on, come on, come on, come on, come on,  
Come on, come on, come on, come on, come on,  
All I'm askin' you is,  
(Why ?)
