

Get Loose

Christina Milian

Whether you're whinin' it grindin' it or straight tworlin' it
I don't care as long as you're workin' it
Ride the vibes until you get into it
I guarantee for sure you'll be lovin' it
Whether you came alone to leave with someone
Or with your crew to party til' the night is done
Do your thang aint nobody stoppin' you
It's whateva all I want for you to do is...

Close your eyes and just groove
Don't stand there come on move
Don't be afraid to let go
Let the music take control
If you come here to have a good time
Leave all your troubles behind
Wave your hands and get live
This is the place and now is the time

Get loose tonight we get down
Tearin' up til' the place shutdown
Get loose it's time to get loud
Fell the bass boomin' movin' the crowd
Get loose let it go
Quit standin' around and get on the floor
Everybody grab somebody here we go
We revin' up the party act like ya know

Aint no need for fighting or catchin' some kinda attitude
Check that mess before you step in the room
Let it go remember what you came to do
While the D.J. spins it on the ones and twos
Get busy get jiggy whatever works for you
Whether tipsy or sober that's up to you
But before the night's over I'm tellin you
To enjoy yourself all you need to do is...

Close your eyes and just groove
Don't stand there come on move
Don't be afraid to let go
Let the music take control
If you come here to have a good time
Leave all your troubles behind
Wave your hands and get live
This is the place and now is the time

Get loose tonight we get down
Tearin' up til' the place shutdown
Get loose it's time to get loud
Fell the bass boomin' movin' the crowd
Get loose let it go
Quit standin' around and get on the floor
Everybody grab somebody here we go
We revin' up the party act like ya know

Ahh ahh ahhh
Now that you're on the floor, I know that you're wanting more
Ahh ahh ahhh

The music's taking over you, show me what cha gonna do
Ahh ahh ahhh
Too late you can't hide I can see it's in you
Ahh ahh ahhh
And you feel the need to let it go

Get loose tonight we get down
Tearin' up til' the place shutdown
Get loose it's time to get loud
Fell the bass boomin' movin' the crowd
Get loose let it go
Quit standin' around and get on the floor
Everybody grab somebody here we go
We revin' up the party act like ya know

Get loose tonight we get down
Tearin' up til' the place shutdown
Get loose it's time to get loud
Fell the bass boomin' movin' the crowd
Get loose let it go
Quit standin' around and get on the floor
Everybody grab somebody here we go
We revin' up the party act like ya know
