

# Get Loose

Christina Milian

Whether you're whinin' it grindin' it or straight tworkin' it  
I don't care as long as you're workin' it  
Ride the vibes until you get into it  
I guarantee for sure you'll be lovin' it  
Whether you came alone to leave with someone  
Or with your crew to party til' the night is done  
Do your thang aint nobody stoppin' you  
It's whateva all I want for you to do is...

Close your eyes and just groove  
Don't stand there come on move  
Don't be afraid to let go  
Let the music take control  
If you come here to have a good time  
Leave all your troubles behind  
Wave your hands and get live  
This is the place and now is the time

Get loose tonight we get down  
Tearin' up til' the place shutdown  
Get loose it's time to get loud  
Fell the bass boomin' movin' the crowd  
Get loose let it go  
Quit standin' around and get on the floor  
Everybody grab somebody here we go  
We revin' up the party act like ya know

Aint no need for fighting or catchin' some kinda attitude  
Check that mess before you step in the room  
Let it go remember what you came to do  
While the D.J. spins it on the ones and twos  
Get busy get jiggy whatever works for you  
Whether tipsy or sober that's up to you  
But before the night's over I'm tellin you  
To enjoy yourself all you need to do is...

Close your eyes and just groove  
Don't stand there come on move  
Don't be afraid to let go  
Let the music take control  
If you come here to have a good time  
Leave all your troubles behind  
Wave your hands and get live  
This is the place and now is the time

Get loose tonight we get down  
Tearin' up til' the place shutdown  
Get loose it's time to get loud  
Fell the bass boomin' movin' the crowd  
Get loose let it go  
Quit standin' around and get on the floor  
Everybody grab somebody here we go  
We revin' up the party act like ya know

Ahh ahh ahhh  
Now that you're on the floor, I know that you're wanting more  
Ahh ahh ahhh

The music's taking over you, show me what cha gonna do  
Ahh ahh ahhh  
Too late you can't hide I can see it's in you  
Ahh ahh ahhh  
And you feel the need to let it go

Get loose tonight we get down  
Tearin' up til' the place shutdown  
Get loose it's time to get loud  
Fell the bass boomin' movin' the crowd  
Get loose let it go  
Quit standin' around and get on the floor  
Everybody grab somebody here we go  
We revin' up the party act like ya know

Get loose tonight we get down  
Tearin' up til' the place shutdown  
Get loose it's time to get loud  
Fell the bass boomin' movin' the crowd  
Get loose let it go  
Quit standin' around and get on the floor  
Everybody grab somebody here we go  
We revin' up the party act like ya know
