

# Gonna Tell Everybody

Christina Milian

I don't wanna say I still loved you  
It hurts me everyday thinkin' about  
Who you were kissing not me  
Oh nana nana nana (not me)  
Oh nana nana nana  
I'mma speak the truth  
I ain't gon' lie  
I let you go with all the tears I cried  
Thought we was goin' ride  
Oh nana nana nana  
Oh nana nana nana

And I'm gonna tell everybody  
Cause you cheated  
And I'm Gonna tell everybody  
And Mistreated  
And I'm Gonna tell everybody  
I don't need you  
And I'm Gonna tell everybody  
So ya leaving  
And I'm Gonna tell everybody  
I don't need it  
And I'm Gonna tell everybody  
Don't believe it  
And I'm Gonna tell everybody  
Ya deceive it  
And I'm Gonna tell everybody now  
Damn

Sittin' up in my room  
I'm lighting candles  
Handlin' my handle thinking why  
I could I let this situation get the best of me  
When I gave the best of me  
It's just crazy how one minute we connect  
I was baby ya lady sweet sadie  
Holdin' hands was your favorite  
{Now I} Now I ain't got no sad song to sing  
You're dead wrong to me, cause I was so committed but  
Since we separated I know you will never find  
Another chick like me that's why I stay up on ya mind  
I know it's hard for you to hear, but I ain't got the time  
I moved on, I moved on  
I don't want you now

I don't wanna say I still loved you  
It hurts me everyday thinkin' about  
Who you were kissing not me  
Oh nana nana nana (not me)  
Oh nana nana nana  
I'mma speak the truth  
I ain't gon' lie  
I let you go with all the tears I cried  
Thought we was gon' die  
Oh nana nana nana  
Oh nana nana nana

And I'm gonna tell everybody  
Cause you cheated  
And I'm Gonna tell everybody  
And Mistreated  
And I'm Gonna tell everybody  
I don't need you  
And I'm Gonna tell everybody  
So ya leaving  
And I'm Gonna tell everybody  
I don't need it  
And I'm Gonna tell everybody  
Don't believe it  
And I'm Gonna tell everybody  
Ya deceive it  
And I'm Gonna tell everybody now

I ain't trippin' I'm just saying  
Look at what you missing out on now  
Yep it's all out now, I'm goin' all out now  
And I ain't gon' cry about  
Grab my keys to that Bentley GT  
Call all my girlfriends and ride  
You ain't go nothin' on me  
{Christina's going out to party}  
You ain't got nothin' on me  
You ain't go nothin' on me  
Really this thing ain't nothing  
You ain't got nothin' on me  
{Run and go tell everybody}  
You ain't got nothin' on me  
You ain't got nothin' on me  
Really this thing ain't nothing

I don't wanna say I still loved you  
It hurts me everyday thinkin' about  
Who you were kissing not me  
Oh nana nana nana (not me)  
Oh nana nana nana  
I'mma speak the truth  
I ain't gon' lie  
I let you go with all the tears I cried  
Thought we was goin' ride  
Oh nana nana nana  
Oh nana nana nana
