Christina Milian

Ladies and gentlemen
I'd like to introduce to you. . .
Christina!

It's about time
Yeah
It's about time
Yeah
C'mon
It's about time you get to know me
Everything in my life has been about timing
My business life
Personal life
I would've given in to what everybody else wanted
For certain things happened when they weren't supposed to
I feel I wouldn't be in the position I am today
I feel blessed

It's my time to live, my time to see
It's time that you get to know me
It's my time
It's about time
It's my time to live, my time to see
It's time that you get to know me
It's my time
Oh ooh
Ahhh. . .
