

## Intro

Christina Milian

Ladies and gentlemen  
I'd like to introduce to you. . .  
Christina!

It's about time  
Yeah  
It's about time  
Yeah  
C'mon  
It's about time you get to know me  
Everything in my life has been about timing  
My business life  
Personal life  
I would've given in to what everybody else wanted  
For certain things happened when they weren't supposed to  
I feel I wouldn't be in the position I am today  
I feel blessed

It's my time to live, my time to see  
It's time that you get to know me  
It's my time  
It's about time  
It's my time to live, my time to see  
It's time that you get to know me  
It's my time  
Oh ooh  
Ahhh. . .
