

# Miss You Like Crazy

Christina Milian

I miss you like the sky misses the birds  
I miss you like a song without the words  
And everyday away from you it hurts  
Cuz I'm missing you like crazy  
I miss you like the sun misses the day  
I need you like the desert that needs the rain  
And baby it's driving me insane  
Cuz I'm missing you like crazy  
I'm missing you like crazy

Sitting here, thinkin' bout how much you  
You mean to me, you're my love, my baby  
You're my friend my homey  
What we got can't be replaced  
I see no one, taking ya space  
Anywhere you take me  
I'll follow

Cuz everytime I gotta go, I look into your eyes and then I know  
You'll be waiting for me,  
and no matter how long that may be  
I know that you are always there for me  
Oh baby, I can't wait until I have you here

I miss you like the sky misses the birds  
I miss you like a song without the words  
And everyday away from you it hurts  
Cuz I'm missing you like crazy  
I miss you like the sun misses the day  
I need you like the desert that needs the rain  
And baby it's driving me insane  
Cuz I'm missing you like crazy  
I'm missing you like crazy

Sometimes at night I get it bad  
I think about the times we share  
So I rush to call you hoping you miss me too  
The speacial way you say my name  
You soothe my heart, make it ok  
You're not here so I hold  
My pillow

Cuz everytime I gotta go, I look into your eyes and then I know  
You'll be waiting for me,  
and no matter how long that may be  
I know that you are always there for me  
Oh baby, I can't wait until I have you here

I miss you like the sky misses the birds  
I miss you like a song without the words  
And everyday away from you it hurts  
Cuz I'm missing you like crazy  
I miss you like the sun misses the day  
I need you like the desert that needs the rain  
And baby it's driving me insane  
Cuz I'm missing you like crazy  
I'm missing you like crazy

Baby, I'm missing you like crazy  
And I'm hoping that you miss me too  
I'm missing you like crazy

I miss you like the sky misses the birds  
I miss you like a song without the words  
And everyday away from you it hurts  
Cuz I'm missing you like crazy  
I miss you like the sun misses the day  
I need you like the desert that needs the rain  
And baby it's driving me insane  
Cuz I'm missing you like crazy  
I'm missing you like crazy
