

# She Don't Know

Christina Milian

Papi, wake up your phone is ringing  
Your not gonna get it?  
I see, go back to sleep  
Te quiero baby

She don't know that your laying by my side tonight  
I hear her calling you (A donde esta a donde esta)  
Boy where have you been?  
And she don't know that you changed your mind 'bout her  
And I'm your one true destiny (Pobresita perdoname)  
Pero he's in love with me

Ah ah, I need this love beside  
Ah ah, I dreamed it all my life  
Sometimes the things that don't seem right  
Leads to the best thing of a life

She don't know, she don't know  
That your in love with me  
I can't let go  
Because your the one for me  
You are my Corazon  
Ah ah, I love you better  
You have my Corazon  
Y yo te quiero

Ah ah, ay yo te quiero, te quiero  
(I love you)

I know I'm being selfish  
But you know I can't help it  
Know we neva felt this  
I'm melting, into your love  
I'm going deeper and deeper  
Fee like I, I gotta secret  
I'm gon' keep it cuz she don't know your mine  
Damelo yo quiero tu besos  
I love it when you kiss me  
Necesito tu besos, kiss me now  
Cuz you'll never understand  
The way I can this love we have inside  
(Inside, inside, inside)

Ah ah, I need this love beside  
Ah ah, I dreamed it all my life  
Sometimes the things that don't seem right  
Leads to the best thing of a life

She don't know, she don't know  
That your in love with me  
I can't let go  
Because your the one for me  
You are my Corazon  
Ah ah, I love you better  
You have my Corazon  
Y yo te quiero

Ah ah, ay yo te quiero, te quiero  
(I love you)

She don't know, she don't know  
That your in love with me  
I can't let go  
Because your the one for me  
You are my Corazon  
Ah ah, I love you better  
You have my Corazon  
Y yo te quiero

Ah ah, ay yo te quiero, te quiero  
(I love you)
