

Jar of Hearts

Christina Perri

capo I

1. I know I can't take one more step towards you
'Cause all that's waiting is regret
And don't you know I'm not your ghost anymore
You lost the love I loved the most
I learned to live half a life
And now you want me one more time

R: Who do you think you are?
Running 'round leaving scars
Collecting a jar of hearts
Tearing love apart
You're gonna catch a cold
From the ice inside your soul
Don't come back for me
Who do you think you are?

2. I hear you're asking all around
If I am anywhere to be found
But I have grown too strong
To ever fall back in your arms
I've learned to live half a life
And now you want me one more time

R:

It took so long just to feel alright
Remember how to put back the light in my eyes
I wish I had missed the first time that we kissed
'Cause you broke all your promises
And now you're back
You don't get to get me back

R: Don't come back at all (2x)

Who do you think you are?
Who do you think you are?
Who do you think you are?
