## **Please Come Home for Christmas**

**Christina Perri** 

Bells will be ringing this sad, sad news, Oh, what a Christmas to have the blues. My baby's gone, I have no friends To wish me greetings once again.

Choirs will be singing "Silent Night", Christmas carols by candlelight. Please, come home for Christmas, Please, come home for Christmas. If not for Christmas by New Year sight.

Friends and relations send salutations Sure as the stars shine above. But this is Christmas, yes, Christmas, my dear The time of year to be with the ones you love.

So won't you tell me you'll never more roam Christmas and New Year swill find you home There'll be no more sorrow, no grief and pain And I'll be happy, happy once again.

Oh, there'll be no more sorrow, no grief and pain, And I'll be happy, happy once again.

Friends and relations send salutations Sure as the stars shine above. But this is Christmas, yes, Christmas, my dear The time of year to be with the ones you love.

So won't you tell me you'll never more roam Christmas and New Year swill find you home There'll be no more sorrow, no grief and pain And I'll be happy, happy once again.

IDll be happy, Christmas once again
