

'coz I'm Free

Christine Anu

'Cause I'm free-ee-ee-ee
Because I'm free-ee
'Cause I'm free-ee-ee-ee
Because I'm free-ee
A message from the other world
To every little boy and girl
Let your spirit fly until
The day I let the flag unfurl
'Cause I'm free-ee-ee
I'm faster than a shadow
'Cause I'm free-ee-ee-ee
Because I'm free-ee
I left my home and everything
I know that I'll be back again
When everything is what it seems
Reality becomes a dream
'Cause I'm free-ee-ee-ee
Freer than the wind blows
'Cause I'm free-ee-ee-ee
'Cause I'm free-ee-ee
All the things I wanna be
And all the places I wanna see-ee
And all the things I never had that I know are mine
All my friends and family
I know they'll always come with me
I am a messenger and I tell you why
'Cause I'm free-ee-ee-ee
Faster than a shadow
'Cause I'm free-ee-ee-ee
Freer than the wind blow-ow-ows
If I should walk, if I should run...
I know this time I'm comin' home...
'Cause I'm free-ee
Freer than the wind blows
'Cause I'm free-ee-ee
Faster than a shadow
'Cause I'm free-ee-ee
No one I have to follow
'Cause I'm free-ee
Freer than tomorrow
'Cause I'm free-ee-ee-ee
Because I-I'm Free
