

# Sunshine On A Rainy Day

Christine Anu

Ooh, ooh-ooh  
I see you in the darkness  
I see you in the light  
I see your eyes shining  
In through the night  
Make me feel, make me feel  
Like I belong  
Don't relieve me, you won't leave me here  
All Alone  
Cast your eyes  
Like summer skies  
Bluer than the ocean  
Clearer than the skies, yeah!  
Sunshine on a rainy day (sunshine)  
Makes my soul, makes my soul Trip, Trip, Trip away  
Sunshine on a rainy day (sunshine)  
Makes my soul, makes my soul Trip, Trip, Trip away  
You touch me with your spirit  
You touch me with your heart  
You touch me in the darkness  
I feel it start  
Make it feel, make it feel  
So Unreal (so unreal)  
Like a wind in the desert  
Like a moon on the sea  
Sunshine on a rainy day (sunshine)  
Makes my soul, makes my soul Trip, Trip, Trip away
