

Ask Anybody

Christine McVie

Written by christine mcvie and steve winwood.

He's a devil and an angel
Ooh the combination's driving me wild
Drives me wild
He's a saint and he's a sinner
Ooh somehow he acts just like a beginner
I guess he's still a child

Chorus:

Ask anybody
Ask anybody
They'll say I'm going wrong
They say that I should walk out
But that's not what I want
Ask anybody
And they'll all say the same

But that's all right
'cause I know somehow
We can make it right
And I'm putting up a fight
Somehow, somewhere
He'll change
And we'll try it all over again
Without all the pain

Chorus
