

## Nature's Way

Christopher Cross

Is nature's way of telling you somethings wrong  
It's nature's way of telling you in a song

Is nature's way of receiving you  
Is nature's way of retrieving you  
Is nature's way of telling you somethings wrong

Is nature's way of telling you on the breeze  
It's nature's way of telling you - dying trees

It's nature's way of telling you to sow down  
It's nature's way of telling you - look around

It's nature's way of finding you  
It's nature's way of reminding you  
It's nature's way of telling you somethings wrong
