

# Spinning

Christopher Cross

Ooh wee  
Got me spinning  
Got me spinning 'round  
Like I think I'm winning

It may take me a long long time  
But I'm gonna find you out  
It may take me a long long time  
But I'm gonna find you out

Ooh wee  
It's only the beginning  
You got me spinning 'round  
Like I think I'm winning
