Uuuhhhhh x 4

I won't fall I won't sleep
I will fall in too deep
Standing on the edge of something beautiful
Let's go to the other side of the waterfall

Uuuhhhhh x 4

Everywhere is poisoned

Everywhere is noise

I can be your shelter

I can be your choice

Standing on the edge of something beautiful

Let's go to the other side of the waterfall

Uuuhhhhh Of the waterfall x 4

It feels like I'm drowning
I can't go up there
No one will ever find us
If we stay in here
Standing on the edge of something beautiful
Let's stay on the quiet side of the waterfall

Uuuhhhhh x 4

I can feel the thunder
Underneath my skin
I can feel them talking
It's blowing in the wind
Standing on the edge of something beautiful
Let's stay on the quiet side of the waterfall

Uuuhhhhh Of the waterfall  $\times$  4

Uuuhhhhh x 4
