

No Such Thing

Romano, Carlson Christy

Yea, yea
Don't try to tell me that everything could be
Just like the movies cause I've heard it all before
You live and breathe it but I don't believe it
There's no point of dreaming cause I've heard it all before
Its not a magical world
And I'm not a fool like those other girls

There's no such thing
As Mr. perfect
There's no such thing
As lucky stars
There's no such thing
As a happy ending
Cause all that brings is a broken heart
Now I'm tired of pretending
And I'm sick of this every time love goes right
There's no such thing
There's no such thing

Stuck in confusion its all an illusion
The apple is poisoned the glass slipper never fits
So mirror, mirror you never deliver
The fairytales over and reality begins
Its not a magical world
And I'm not waiting around like those other girls

There's no such thing
As Mr. perfect
There's no such thing
As lucky stars
There's no such thing
As a happy ending
Cause all that brings is a broken heart
Now I'm tired of pretending
And I'm sick of this every time love goes right
There's no such thing

Don't lift me up now
I got my feet on the ground
Cause I'm awake now
So all this dreaming has got to end

There's no such thing
As Mr. perfect
There's no such thing
As lucky stars
There's no such thing
As a happy ending
Cause all that brings is a broken heart
There's no such thing
As Mr. perfect
There's no such thing
As lucky stars
There's no such thing
As a happy ending
Cause all that brings is a broken heart

Now I'm tired of pretending
And I'm sick of this every time love goes right
There's no such thing
As Mr. perfect
There's no such thing
As lucky stars
There's no such thing
As a happy ending
Cause all that brings is a broken heart
Now I'm tired of pretending
And I'm sick of this every time love goes right
There's no such thing
There's no such thing
There's no such thing
Oh there's no such thing
There's no, no such thing
