

## Cúnla

Christy Moore

Who is that there knocking the window pane  
Who is that there knocking the window pane  
Who is that there knocking the window pane  
Only me says Cúnla

Cúnla dear, don't come any near to me  
Cúnla dear, don't come any near to me  
Cúnla dear, don't come any near to me  
Maybe's I shouldn't says Cúnla

Who is that there tickling the toes of me  
Only me says Cúnla

Who is that there tickling the thighs of me  
Only me says Cúnla

Who is that there taking the clothes off me  
Only me says Cúnla
