

# Minds Locked Shut

Christy Moore

It happened on a Sunday afternoon  
On a lovely bright crisp winters afternoon  
On a perfect day for walking  
There was gunshots, stones and bullets  
On a lovely bright crisp winters afternoon  
There was chaos, panic and death  
Disbelief upon the faces  
Fear and bewilderment  
The seconds seemed so long  
They're firing bullets at us  
It was not supposed to be like this  
Awesome to behold

And then our minds locked shut  
And then our minds locked shut  
And then our minds locked shut  
And then our minds locked shut  
And there remains...

Jackie Duddy and Willie Nash  
Gerry Donaghy, Willy McKinney  
Gerard McKinney and Jim Wray  
Johnny Johnston, Barney McGuigan  
Paddy Doherty, Kevin McIlhenny  
John Young, Mickey Kelly  
Hugh Gilmore, Micheal McDaid  
Let us remember...
