

## Weekend in Amsterdam

Christy Moore

When we got our redundancy, myself and the lads went on a spree  
A brand new passport in my hand as we took off for The Netherland  
Myself and Dinny and O'Dwyer and Scut at Schipol we were all half cut  
We opened up the duty-free, the red lemonade and brandy  
And we jumped on board a tram  
O the weekend that we spent in Amsterdam

Our first stop was the coffee shop, in we went and we all sparked up  
Hashish from Pakistan, Morocco, Nepal and the Lebanon  
All the boys was rollin' joints, they forgot to drink their pints  
Water pipe came bubblin' around, took one pull and hit the ground  
Lads wake him if you can  
O the weekend that we spent in Amsterdam

Sunday we went to the Blarney Stone, Paddy Wynne had the Leinster final on  
The Lily Whites and The Boys in Blue, the Majors and Taytos  
Over to Mulligans for the night, the bar was leppin' and the bank was shite  
De Burgh, De Bono and De Wolfe Tones 'til Dinny grabbed the microphone  
And gave us Van the Man  
O the weekend that we spent in Amsterdam

Macker sez while we're here we'll go and have a look at the kinky gear  
I said a quiet prayer I wouldn't bump into anyone from Kildare  
Big dildos, blow up dolls, snap on tools and hairy balls  
Vibrators, whips and chains and fanny ticklers  
God between us and all harm  
O the weekend that we went to Amsterdam

Then we went for a midnight walk, all our eyes were out on stalks  
Gay bars, bordellos, models in the windows with no clothes  
Dinny he danced all night with a South American transvestite  
Everything was goin' grand until Dinny tried to drop the hand  
There was pandemonium  
O the weekend that we went to Amsterdam

The bouncer she was 5'10'', Lowland heavyweight champion  
She hit Dinny an awful box, the boys ran amok and wrecked the shop  
We could hear the squad cars getting near, it's time lads we were out of here  
Dinny pulled up his tights and we disappeared into the night  
All together no one by one  
O the weekend that we spent in Amsterdam

Queen Beatrix she rides her bike, Rembrandt is hangin' down in the Rijk  
Ajax, Heineken, Van Gogh, The Gargle and The Ghanja  
Monday morning we were all half cracked we dived into the Kaisergracht

They fished us out, hosed us down and put us on the plane to Dublin  
Home to the Mammy again  
O the weekend that we spent in Amsterdam
