

## Bad Broad (Good Girl Gone Bad)

Chrome Division

I opened up and gave you everything  
It didn't mean much to you  
You were never satisfied  
I never knew what to do

Every feeling you ever gave me  
Was just a fake  
The only thing that you ever wanted  
Was to see me break

Oh how you love to watch me crawl  
Smile smile with the Devil  
Shame shame on you  
You ripped it out and ate it all  
Smile smile with the Devil  
You were never true

It never really bothered you  
That you left me in pain  
You kept on living hih and mighty  
When i was almost insane

And afer everything i've done for you  
This is how you repay me?  
How can you live with yourself?  
How can you look at yourself in the mirror?  
How can you even face the day?  
Bitch!
