Hate

Chrome Division

I've been around I have seen all kind's of shit I lived long enough to recognize it You walk so tall You talk so smallOh come on over 'cause here comes my call

I never claimed to be the nicest boy in town I never promised honey, I would stick around

Why do you hate me Why do you hate me Is it 'cause you know that I can't be ignored

Why do you hate me Why do you hate me Is it 'cause I make you feel so insecure

Now gather around it's time to look me in the eye I rather face you all than listen to your lies Hey ladies, come out and play Cause I don't give a shit about your mothers anyway

And I don't know just what to say And I don't know just what to do The reason I tell you I want you to know It's time time to stand down and let it all go

Why do you hate me Why do you hate me Is it 'cause I make you feel so insecure
