18 on my hands so hit me with one more I'll turn the card, it's even better than before Four wheels rolling, snake eyes on the dice I'll take a chance if it'll cover up my loss There is something worth living for It ain't no worth the ride Just bring it all to me and turn off the lights Satisfy my soul Satisfy it with alcohol Satisfy my soul I'm all dressed up and ready to roll Satisfy my soul Satisfy it with alcohol Satisfy my soul I'm all dressed up and ready to roll yeah! Make it a double I know how to keep myself Need another round I don't care about my health My good friend Jack will lead me to the sound In the bottom of the bottle the answer is found There is something worth living for It ain't no worth the ride Just bring it all to me and turn off the lights Satisfy my soul Satisfy it with alcohol Satisfy my soul I'm all dressed up and ready to roll Satisfy my soul Satisfy it with alcohol Satisfy my soul I'm all dressed up and ready to roll
