

# The Boys From The East

Chrome Division

Well, everybody raise your glass  
And Welcome to the show  
Let there be no doubt  
We got a lot to show  
Turn the music up loud  
So chicks can move on the floor  
If you don't like it  
You're at the wrong place for sure  
Come a little closer  
So I can feel your heat  
Now let me see you shake that ass  
To that rockin' beat  
I hope you don't mind girl  
And show me your smile  
Well, I know that I'm different  
But I'm gonna stay for a while  
It ain't easy  
Living free  
It ain't easy when you're trying  
To satisfy me  
I'm coming down  
You better be prepared  
'Cause I grew up on the other side of town  
You heard the stories,  
And you heard the tales  
It's time to meet the boys  
When we all get together  
We sure make a lot of noise  
You can either hate us or join our feast  
I can't promise any champagne  
When you party with  
The boys from the east
