## Wine Of Sin

## **Chrome Division**

Long legs, good lookin' Won't you come over here Red lips, sweet talkin' Don't you come too near Here we go That's right Come on You bring the roses I bring the wine Tonight you know I'll make you mine You got a reason I got a cause Tonight you know I'll make you mine Less talk, more drinkin' We got a lot to do Her sweat, sweet shakin' Can it all be true Here we go That's right Come on Show me your tits!
