Something to say,
when you're so far away
and everything flies right by
like a dream

You're stuck in your tracks.
There's no turning back.
I wish I could hold you close
inside of me.

Girl if it's alright,
A hundred percent.
It's intellectual,
I wanna let you know,
I won't let you go
until you say "please".
Girl if it's alright,
A hundred percent.
It's intellectual,
I wanna let you know,
I won't let you go
until you say "please".

How could you forget
the way that we met?
The street corner lights on fire
like a dream.

And since you been gone,
it's been "to each his own".
We'll never be side by side
so it seems.

Girl if it's alright,
A hundred percent.
It's intellectual,
I wanna let you know,
I won't let you go
until you say "please".

You and I,
baby we go side by side.
Me and you,
tell me what we're gonna do
You and I,
baby we go side by side.
Me and you,
tell me what we're gonna do
You and I,
baby we go side by side.
Me and you,
tell me what we're gonna do
