

Needy Girl

Chromeo

wanna be by yourself, and no one else
alright, a-a-a-a-alright
and you wanna go out, wanna scream and shout
tonight, t-t-t-t-tonight
you want some space, like "get outta my face"
alright, a-a-a-a-alright
and you want me back, put your life on track
tonight, t-t-t-t-tonight

you're a needy girl
i can tell when i look in your big brown eyes
you want my world
but how can i do yours if i can't do mine
i try to change
but somehow it's weird, i don't feel the same
it's all about
what you want, what you say, how you feel
how you play the game

you're a needy girl
and you want my world
i try to change
but it's not the same

phone rings

"hello? ...hey what's up, baby? ...yeah, i'm in the studio right now, i'll c
all you later. ...nah, i really can't talk right now, i'll just call you bac
k alright. ...i-i can't talk right now, i'll just call you later! ...yo, wha
t? y- i can't- look, yo whatever!"

when you're home alone, you don't answer the phone
alright, a-a-a-a-alright
but it's like a crime, if i don't answer mine
tonight, t-t-t-t-tonight
so you found a man, and he's more than a friend
alright, a-a-a-a-alright
but you still call me, for some T.L.C.
tonight, t-t-t-t-tonight

you're a needy girl
i can tell when i look in your big brown eyes
you want my world
but how can i do yours if i can't do mine
i try to change
but somehow it's weird, i don't feel the same
