

Caribbean Air Control

Chromium

Caribbean Air Control,
Caribbean Air Control

Calling Uncle Zulu Baker,
Calling Uncle Zulu Baker,
Answer please, you're overdue,
We're losing you

Come in Uncle Zulu Baker,
Come in Uncle Zulu Baker,
Answer please, you're overdue,
We're losing you

This is Zulu Baker here, I'm heading out to sea,
My radio is going dead, There's a blue light following
me
Caribbean Air Control, there's something wrong up here,
I can see the sea move, I'll drop my landing gear

Hey, Mr. Lonely in your flying machine
Do you want convincing?
Why don't you convince me?
The waves beneath come into Bermuda Triangle,
Bermuda Triangle, Bermuda Triangle

Come in Uncle Zulu Baker,
Come in Uncle Zulu Baker,
Come in please, you're overdue,
We're losing you

Caribbean Air Control,
there's something wrong up here,
I can see the sea move,
I'll drop my landing gear

Hey, Mr. Lonely in your flying machine
Do you want convincing?
Why don't you convince me?
The waves beneath come into Bermuda Triangle,
Bermuda Triangle, Bermuda Triangle

We've got Uncle Zulu Baker

Bermuda Triangle, Bermuda Triangle
Bermuda Triangle, Bermuda Triangle
Nobody but nobody comes through
Bermuda Triangle
Nobody but nobody comes through
Bermuda Triangle
