

# The Emptiness

Chromium

Never have I heard of this deception  
You take my life under control of you

You can't control me  
You try consume me

Never, will you use me  
Never, will you abuse me

I'm lost in my self again  
Keep taking advantage of my life  
No longer forsaken  
From the emptiness deep inside

All hatred that you feel for me  
Because I am not what you want me to be
