

## Obstruction

## Chronic Future

Justice denied  
How about bail  
Im already guilty  
Without a trial  
A man who kills  
He runs around free  
This system sucks  
Its screwing over me

Disrupted  
Corrupted  
Disrupted  
Obstruction in justice yeah

Innocent people  
Denied welfare  
Seems that the government  
Doesnt even care  
Murder and felony  
Rape and assault  
Well dont blame me  
cuz it isnt my fault

Disrupted  
Corrupted  
Disrupted  
Obstruction in justice yeah

Justice denied  
Threw away the key  
So much for living in the  
land of the free  
Mom and dad  
You told me who to be  
But i still cant fit into  
Society

Disrupted  
Corrupted  
Disrupted  
Obstruction in justice (2x) yeah
