Chronic Future

I like the majority, yes my friends
I like the majority, all the trends
I like my clothes below my ass
Always listen to gangsta rap (biotch)

Better watch it or I'll smoke ya
If you're sassy I'll prep your ass
Yeah I'm cool 'cause I'm sick of all the girls
Treating me nice and ill kiss your sorry ass

I'm sick of all this crap
(Yeah I'm sick of all this crap)
Another trends gone flat
(Just another trend gone flat)
Be a G and put on Guess jeans
Become a scottsdale brat
(Become a scottsdale brat)

H-O-M-E-be-O-why
Bitches love me 'cause I am so fly
Hey look, what's that sound
Everybody look what's going down
Watch my Honda bounce
With the fresh raps in the back
Yo, I'm a scottsdale
Gangsta!

I'm sick of all this crap
(Yeah I'm sick of all this crap)
Another trends gone flat
(Just another trend gone down the drain)
Be a G and put on Guess jeans
Become a scottsdale brat
(Become a scottsdale brat)

I'm sick of all this crap
Another trends gone flat
Be a G and put on Guess jeans
Become a scottsdale brat

Don't think you're bad 'cause you smoke weed
Buy your bags with your mommas greed
Take a hit of your gangsta grass and
Pull your pants up above yo ass

I'm sick of all this crap
(Yeah I'm sick of all this crap)
Another trends gone flat
(Another trend just, gone, flat)
Be a G and put on Guess jeans
Become a scottsdale brat
(Become a scottsdale brat)

I'm sick of all this crap
(I'm sick of all this god damn crap)
Another trends gone flat
(just another trend just gone down the drain)

Be a G and put on Guess jeans
Become a scottsdale brat
(Become a scottsdale brat)

I'm sick of all this crap
