

## 49 Theurgy Chains

Chthonic

He made it through the Festering Iceberg  
Now he shakes for something else  
Unrelieved burden, unrelieved anger, unrelieved hermetic theurgy chains  
Unrelieved trauma, unrelieved terror, unrelieved hermetic theurgy chains

He broke right through the courts of hell to erase the names where Ghost Kings dwell  
His soul was sucked back by the spells that night they came

Wizards lashing their flaming reins  
Sanctioned forty-nine theurgy chains  
Tie me in chaos, bind me in pain,  
Sanctioned forty-nine theurgy chains

He made it through the Bleeding Volcano  
Now he's burned by something else  
Unrelieved torture, unrelieved sorrow, unrelieved hermetic theurgy chains  
Unrelieved hatred, unrelieved malice, unrelieved hermetic theurgy chains

He broke right through the courts of hell to erase the names where Ghost Kings dwell  
His soul was sucked back by the spells that night they came

Wizards lashing their flaming reins  
Sanctioned forty-nine theurgy chains  
Tie me in chaos, bind me in pain,  
Sanctioned forty-nine theurgy chains

The tyrants genocide  
Drives me to suicide  
The tyrants genocide  
Drives me to suicide
